To whom it may concern,

Our student, _____, has permission to leave the RCS campus to purchase lunch on a daily basis. I understand that there are no student riders allowed in the car during this lunch period. It is their responsibility to sign out when leaving and sign in when returning. They are not to sit in their car and eat in the parking lot, either alone or with other students. Lunch must be brought back inside to the dining hall or other approved eating area. I understand they must be back in class after lunch, on time, without exception.

Any failure to comply with the terms of this agreement, in whole or in part, may result in forfeiture of the ability to leave for lunch and could result in the revocation of RCS parking privileges.
