You must attend one of the above meetings to turn in your completed application. All applications accepted during the Enrollment Information meetings will be assigned a lottery number that night. If a lottery is necessary, it will be held on **Thursday, March 8, 2018**, at 6 p.m. in the multipurpose room. The lottery will determine the order in which students are offered available openings per grade.

Please contact Donna Ingram, Middle School Principal, or Darkarai Bryant, High School Principal, at 336-597-0020 for more information, or if you are unable to attend your assigned enrollment meeting, or if you have questions about the process.

Please remember, applications will not be accepted on a daily basis at school.

Open Application Information

Roxboro Community School enrolls students pursuant to North Carolina General Statute. The student must be a resident of North Carolina at the time of application and proof of residency must be presented upon acceptance to confirm enrollment.

Only one application may be submitted per child. **RCS does give enrollment priority to students meeting any of the criteria listed below, but they must fill out the appropriate application and attend their assigned Information Meeting.**

Roxboro Community School grants enrollment priority to the following individuals:

- Siblings of currently enrolled students who were admitted to RCS in a previous year. "Siblings" includes any of the following who **reside in the same household**: half siblings, stepsiblings, and children residing in a family foster home.
- Siblings of students who graduated from RCS and who were enrolled at least four years.
- Children of the school's Board of Directors.
- Students enrolled at RCS within the two previous school years but who left the school (i) to participate in an academic study abroad program or a competitive admission residential program or (ii) because of the vocational opportunities of the student's parent.

Other lottery guidelines:

- If siblings apply for admission to RCS and a lottery is needed, the parent will decide whether to submit the applications individually or under one surname. If the parent/guardian selects to enter all applications under one surname, parent/guardian must indicate into which grade level to enter the surname. If the surname of the siblings is selected, then all of the siblings shall be admitted to the extent that space is available and does not exceed the grade level capacity.
- If multiple birth siblings apply for admission and a lottery is needed, RCS will enter one surname into the lottery to represent all of the multiple birth siblings. If that surname of the multiple birth siblings is selected, then all of the multiple birth siblings will be admitted.
- Following completion of the lottery, parents will be notified, by telephone, of their child's acceptance. They will then have three days to accept or decline all offers for admission.
- Falsifying information on the lottery or enrollment application will result in forfeiture of the student's offer for admission.
- If a student is offered admission to RCS, but is retained at the end of the school year, then the student shall be admitted to the extent that space is available and does not exceed the grade level capacity. Otherwise, the student will be placed on the end of the waiting list for the determined grade level.

PLEASE NOTE the completed application and other school forms will **ONLY** be accepted during the following Information Meeting dates:

Rising 6 th Grade applications (A-K)	Tuesday, February 20, 2018 at 6 pm
Rising 6 th Grade applications (L-Z)	Tuesday, February 20, 2018 at 7 pm
Rising 7 th -12 th Grade applications	Thursday, February 22, 2018 at 6 pm
